

STRONGER TOGETHER. BETTER CONNECTED.

Two MLS organizations.
One shared vision for the future of real estate.

By bringing together the REALTORS® Association of Northeast Wisconsin MLS and Central Wisconsin MLS, we have an opportunity to create a stronger, more connected regional marketplace—giving real estate professionals greater access to information, resources and opportunities while improving the experience for the buyers and sellers they serve.

WHAT THIS CAN MEAN FOR OUR MEMBERS

GREATER MARKET REACH

A broader MLS creates greater visibility across communities and market areas, helping members better serve clients whose real estate needs don't stop at county or MLS boundaries.

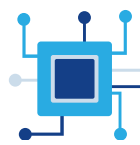

MORE DATA. BETTER INSIGHTS.

Bringing information together can provide a more complete picture of the marketplace, helping REALTORS® and appraisers make informed decisions with stronger comparable data and regional market intelligence.

GREATER EFFICIENCY

The goal is simple: make doing business easier. Fewer barriers between markets can mean less duplication, easier access to information and a more seamless experience for members.

STRONGER TECHNOLOGY & RESOURCES

Combining our collective size and resources creates opportunities to invest strategically in technology, training, tools and services that provide real value to members.

A STRONGER VOICE

Together, we represent a larger community of real estate professionals. That creates opportunities for greater collaboration, stronger advocacy and a more influential voice for the real estate industry throughout our region.

BETTER SERVICE FOR CONSUMERS

Ultimately, everything we do should help our members better serve buyers and sellers. Greater cooperation and access to information can create a more connected real estate experience for consumers throughout Wisconsin.

LOCAL RELATIONSHIPS. REGIONAL STRENGTH.

Growth doesn't mean losing what makes our organizations special.

Our local communities, relationships and REALTOR® connections remain important. The opportunity is to preserve those strengths while building an MLS organization capable of serving an increasingly connected regional marketplace.

BUILDING WHAT'S NEXT—TOGETHER.

This isn't simply about becoming bigger.
It's about becoming better.

- ✓ Better connected.
- ✓ Better equipped.
- ✓ Better positioned for the future.

Together, we're creating an MLS designed to support our members today—and evolve with the real estate industry tomorrow.
